Catching the Dragon's Tail -

**Formation:** All players stand in a line, their hands on one another's shoulders. The first person in line is the head of the dragon, and the last is the tail.

1. The head tries to catch the tail by maneuvering the line around so that she/he can tag the end player. The line must not break.
2. All the other players do their best to keep the head from catching the dragon's tail.
3. When the head catches the tail, all players move forward one position while the player who was in front as the head now becomes the tail.
