FRIDAY:

PM- Damper: 3 cups self-raising flour, pinch of salt, 80g butter (chilled & cubed), 185ml (3/4 cup) water

Preheat oven to 200°C. Line a baking tray with non-stick baking paper. Combine the **flour** and **salt** in a large bowl. Use your fingertips to rub the **butter** into the flour until the mixture resembles fine breadcrumbs.

Add the **water** to the flour mixture and use a round-bladed knife in a cutting motion to mix until the mixture just comes together, adding 1-2 tablespoons extra water if the mixture is a little dry. Use your hands to bring the mixture together.

Turn the dough onto a lightly floured surface and knead gently for 1-2 minutes or until smooth. Shape into an 18cm disc and place on tray. Use a sharp knife that has been dipped in flour to mark 8 wedges on top. Dust the damper with a little extra flour and bake in preheated oven for 30 minutes or until the damper is cooked through and sounds hollow when tapped on the base. Transfer to a wire rack for 5 minutes to cool slightly. Serve warm or at room temperature.
